C. Certificate of participation

IX. Criteria for Judging

CRITERIA	PERCENTAGE
Relevance to Societal Development	30%
Creativity and Innovation	20%
User Experience	20%
Functionality and Technical Execution	20%
Overall Presentation	10%
Total	100%

X. Rubrics

Criteria	Weight	Excellent (4)	Good (3)	Satisfactory (2)	Needs Improvement (1)
Relevance to Societal Development	30%	Strongly addresses a societal issue; content is highly relevant, well-researched, and contributes meaningfully to society.	Addresses a societal issue with clear relevance; purpose is evident but could be further developed.	Societal issues are present but not fully explored; relevance is moderate.	Little or no connection to societal development; issue is unclear or poorly explained.
Creativity and Innovation	20%	Outstanding originality; unique concept, features, and approach.	Creative ideas with some innovative features, though not entirely unique.	Limited creativity; ideas are common or predictable.	Lacks originality; heavily relies on existing ideas or templates.
Design and User Experience	20%	Visually appealing, well-organized, highly user-friendly; intuitive navigation and responsive design.	Good visual design and usability; minor layout or navigation issues.	Acceptable design; user experience needs improvement.	Poor layout, confusing navigation, or unresponsive design.
Functionality and Technical Execution	20%	Website functions flawlessly; features work smoothly; clean, efficient code.	Most features work; minor bugs or performance issues.	Basic functionality works; several technical issues present.	Major functionality problems; incomplete or unstable website.
Presentation	10%	Clear, confident, persuasive presentation; strong	Clear and organized presentation with	The presentation is understandable but lacks engagement or	Poor presentation; minimal impact or unclear explanation.

and lasting impact.

good impact.

clarity.
